Year of completion: 2019

TRAININGS

The Complete Mixing Masterclass

Udemy, Online

May 2021 - Jun 2021

The course was conducted by Jason Allen, which started with the very basics of mixing and worked all the way up to finishing great tracks. The main highlight of the course was about mixing techniques for all instruments, sounds, and styles including all genres.

PROJECTS

Original Music Tracks - Sweet Spot

Jun 2021 - Jul 2021

https://drive.google.com/file/d/1ST4q-JYVi-el8_B9fKMSXJgmx2i8XlnP/view?usp=sharing

The Project started with the Catchy melody, rhythmic chords were made from this melody followed by layering them with other instruments. The song was arranged and mixed. The final mixed version was mastered to get clarity and loudness.

Intro Music

Jun 2021 - Jun 2021
